

PLANT POTS

Consider ***SHAPE***

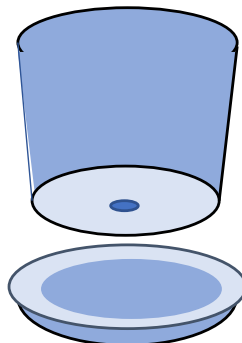

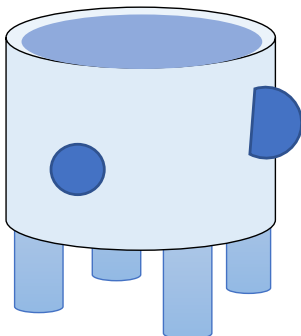

Consider ***FUNCTION***

HAPPY PLANTS!

*Some plants (like Orchids)
need certain types of pots*

Consider ***ALTERATIONS &
ADDITONS***

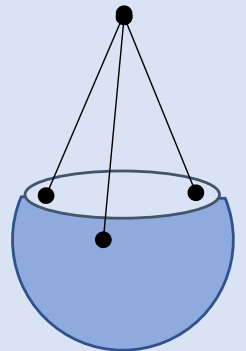

DRAINAGE?

- *Add a hole when trimming*
- *Not always necessary; plastic liner pots can be used*

HANGING

PLANTERS

1. Throw a bowl with a sturdy rim
2. Trim bottom to rounded shape
3. Cut three equally spaced holes 1.5 cm+ below rim
4. Glaze bottom but not rim & fire rim-down

SAUCER?

- *Throw a matching saucer if drainage is added*
- *Just a plate with a high rim*
- *Use calipers or a ruler to ensure the saucer's inside width fits the bottom of the pot*
